

## How to Find Precourse Self-Assessment and Precourse Work eLearning.Heart.org

Step 1: Navigate to eLearning.Heart.org

Step 2: Drop-down the 'Courses' section and select your discipline

The screenshot shows the eLearning.Heart.org website interface. At the top left is the American Heart Association logo and the text "eLearning American Heart Association". To the right are links for "Sign in | Sign Up" and a search bar. Below the header is a navigation bar with "Courses" selected, along with "About eLearning" and "Support". A dropdown menu is open under "Courses", listing various eLearning courses: "All eLearning Courses", "Heartsaver", "Instructor Training", "Advanced Cardiovascular Life Support (ACLS)", "Basic Life Support (BLS)", "Pediatric Advanced Life Support (PALS)", "Opioid Training", "Blood Pressure", "2020 AHA Guidelines", and "Course Finder". A "SEARCH" button is visible below the dropdown. The main content area features a banner with the text "Activate a Course Key" and a sub-headline "Do you have a new course key? Start here to activate your key and begin your course." A red button labeled "ACTIVATE A COURSE KEY" is positioned at the bottom of the banner.

Step 3: Find your Precourse Self-Assessment and/or Precourse Work and select 'Launch this Course' to begin

\*\*\*Note: Upon selecting 'Launch this Course', you will be prompted to log in with an existing account or you will have the option to create a new one.

### ACLS Precourse Self-Assessment

LAUNCH THIS COURSE

The Advanced Cardiovascular Life Support (ACLS) Precourse Self-Assessment is an online tool that evaluates a student's knowledge before the course to determine their proficiency and identify any need for additional review and practice in 3 sections: rhythm recognition, pharmacology, and practical application. ### ACLS Precourse Self-Assessment and Precourse Work

LAUNCH THIS COURSE

The Advanced Cardiovascular Life Support (ACLS) Precourse Self-Assessment evaluates a student's knowledge before the course to evaluate proficiency and determine the need for additional review and practice. The ACLS Precourse Work involves a student reviewing course content through online videos before entering the classroom. The video lessons cover multiple medical subjects and each lesson includes questions to engage the student. [Learn More »](#)
